

Västtrafik's Compensation for delay.

If you are delayed by over 20 minutes and it is our fault, you are entitled to compensation. You can also choose to travel by taxi or your own vehicle if you estimate that you will arrive at your destination at least 20 minutes late using Västtrafik. If you choose to travel by taxi, the maximum compensation is SEK 1,500 per person. If you choose to travel using your own vehicle, the maximum compensation is SEK 1,500 no matter how many people travel in the vehicle.

If you choose promotional code or voucher as the form of compensation for alternative transport (such as taxi or your own vehicle) you will receive 20 percent extra compensation. In that case, the maximum compensation will be raised to SEK 1,800.

- As a promotional code to use in the Västtrafik To Go app.
- As a voucher to buy a ticket from one of our points of sale.
- Deposited in my bank account. Payment is made to Swedish bank accounts using Swedbank's payment system (SUS).
